IGUAZU FALLS

(Iguassu or Iguacu Falls)

However it's spelled, it's a beautiful place. It is the world's largest waterfall with approximately 234 different cataracts pouring into the Rio Iguazu. The falls flow between Argentina and Brazil. We will view the panorama from Brazil and travel to the base of the falls on the Argentina side. Contact Barbara Van Alen for rates and details.

Enjoy 2 nights & 3 days at the spectacular Iguazu Falls. Experience both the Argentine & Brazilian Views, then spend 2 more nights in Buenos Aires with Optional Tours. A great extension of your South America Cruise Experience
