Walking instructions from Yonge / Bloor Subway:

Once you get to Bloor/Yonge subway, get to street level

Park Road is the first street east of yonge, running north from bloor

You walk along Park road, past the Rabba, and the street veers to the right a little, and goes downhill

You keep walking until you come to a parkette on your left.

You cut across that parkette along a paved trail/walkway

Once you get to the end of that, you're right across the street from a big apartment building

That's 130 Rosedale Valley Road. Be careful crossing Rosedale Valley road, then walk to the lobby

You can either call me (647-340-6959) or buzz in (code 126) when you get there
