The red arrows mark the easiest places to access the campus of WCHS. The campus is made up of two buildings: the north and the south. We have previously played in the south building which faces Whiteland Road. Our event will now take place at the north campus, which is located with a red X on the map. If you have trouble, just plan to arrive a few minutes early and call me when you get close. 812-227-0109.
