More on the Purpose: An afternoon 3-game non-rated event will also be happening beginning in the afternoon rounds with divisions **16 to Adult** and **Under 16**. Entrants can play as a team or individually. A time limit of one hour per game will be imposed, but will allow for each side to have equal turns. Play will use the OSPD5 lexicon and cheat sheets will be provided. Observation of the NASPA event will be encouraged, but hushed. We want more membership! One will be gifted to the winner of each division.

Logistics and Other Prizes: Snacks and lunch will be provided for contestants. Playing room will be on the first floor and is handicap accessible. Many delicious local food eateries and shops are available for those choosing to leave during lunch (Why would you if it's free?!) or spouses/family accompanying you who don't want to sit and watch/play Scrabble all day. (Why wouldn't they?!) GPL is donating some book prizes, I will get some Scrabble themed prizes, and we will have some door prizes.

This can also be taken care of at the door. **You need to indicate your intent to play on or before February 24rd.** Past that, entries will be accepted only if they even the number of players.
