2-Letter Words and Their Hooks

This list shows all the two-letter words, from AA to ZA. On either side of each two-letter word are the letters that can be "hooked" onto the front or back of the 2-letter word to make a 3-letter word. For example, B can be added to the front of AA to make the word BAA, and H, L, and S can be added to the back of AA to make the words AAH, AAL, and AAS.

Bingos

A "bingo" is a play that uses all 7 of your tiles, netting a 50-point bonus. Among experts the winner, on average, out-bingos the loser 2-to-1. Below are the three top-rated bingo stems and the bingos they form with the addition of one letter. Such additional letters, in alphabetical order, are underlined. For example, TISANE + A = ENTASIAA, TAENIAS TISANE + B = BANTIES, BASINET, etc. See SCRABBLE® Wordbook for the Top 100 6- and 7-letter stems and bingos formed.
